DAVID WILLIAMS,
66 & 68 DUANE STREET.

INDEX.

Accidents, Insuring workingmen against 616
Accommodation partnership notes..... 632
Acme lemon squeezer..... 510
Act, New English merchandise marks.. 241
Adjustable bar-spring toothed harrow.. 509
Adjustable chisel gauge..... 27
Adjustable rope halter..... 26
Adjustable window screen..... 510
Advances on appraisement of invoices.. 283
Agricultural industries of France..... 910
Agricultural resources of Queensland, Mineral and..... 61
Agricultural statistics..... 66
Air compressors, New Clayton..... 603
Air pumps, Mercurial..... 4
Alabama, Coal and coke development in 186
Alabama, Coke industry in..... 372
Alabama coal strike.....1044
Alfred Noble..... 697
Allis, E. P. & Co.'s works, at Milwaukee, Wis..... 317
Alloys..... 910
Aluminium and sodium by the Castner process..... 316
Aluminium, Manufacture of.....1009
Amalgamated Association of Iron and Steel Workers, Annual convention of. 797
Amendment to interstate commerce law1007
American agricultural machinery in New South Wales..... 94
American forestry congress..... 334
American foundry iron..... 554
American Institute of Mining Engineers 368
American ocean marine..... 179
American orders, England's dependence upon..... 194
American pottery..... 206
American seamen.....1037
American students in Berlin..... 990
American tin..... 928
American tools in China..... 408
American wire rod mills..... 778
American wire rod mills, Proposed..... 146
Amidon improved chuck..... 849
Ammunition..... 983
Analysis of spelter..... 273
Andrus sash balance..... 861
Anniston pipe works..... 134
Annual review of the metal market for 1887.....28, 64
Ansonia electrical road..... 975
Anthony Wayne washer, The improved 674
Anthracite coal tonnage..... 186
Anti-friction washer jack screw..... 510
Anvil and vise, Holt's..... 593
Anvil, New Eagle horseshoers'..... 795
Anxious sellers and demoralized markets..... 378
Apparatus for heating, setting and removing tires..... 1
Apple paring, coring and slicing machine, The Rival..... 989
Appraisement of invoices, Advances on 283
Arbitration in the tube trade..... 384
Arbor, Improved adjustable..... 711
Arch for sugar makers, Iron..... 99
Armor-clad Italia, Italian..... 360
Armor-clads, Speed of foreign..... 730
Armor plates, Compound and solid steel 764
Armor plates, Penetration of by projectiles..... 895
Arms, Rapid-firing..... 180
Arrangement of stores, 82, 83, 127, 168, 216, 344, 394, 441, 470, 589, 630, 670, 750, 951, 986, 1058
Arthur Kill bridge..... 591
Assaying lead, silver and gold, Notes on 326
Atkinson gas engine, Ignition apparatus in..... 165
Atlantic terminus of the Canadian Pacific Railroad..... 458
Atwater's universal pipe wrench jaw..1064
Australian copper mines..... 384
Australian lead mines..... 455
Australian progress..... 1045
Australian tariff, New South..... 54
Australian trade with the United States 390
Automatic cellar drainer..... 897
Automatic disinfectors..... 940
Automatic engine, A new..... 719
Automatic guest call..... 144
Automatic knife-grinder, Heavy..... 601

Baker Smelting Company..... 164
Baldwin Locomotive Works, Outfit of.. 229
Balsam, Electrified..... 138
Baltimore, Increase in commerce of.... 215
Banking—forged check..... 610
Bar folder, Improved..... 231
Bar iron card..... 332
Bar iron card, Cutting..... 656
Bar iron extra schedule, Brown-Bonnell 381
Bar iron manufacturers, Meeting of.... 508
Barb wire decision, Shiras..... 149
Barb wire litigation..... .....341, 425
Barb wire manufacturers of the United States..... 327
Barb wire manufacturers on rod duty.1040
Barb wire mill, Year's work of a..... 290
Barlow's door stop and holder..... 111
Barn door check..... 351
Basic open-hearth process, Waste in.... 655
Basic steel, Increase in production of... 104
Basic steel trade, German..... 492
Basswood..... 186
Bath and boiler heater, Surprise..... 861
Battleship Texas..... 604
Beam engine for steamboats..... 649
Beardsley blotter bath..... 793
Bearing power of piles..... 7
Bearing surface..... 895
Beater, Cam..... 27
Bell eave-trough hanger..... 797
Belt measuring and rolling machine.... 112
Belt-power shear..... 964
Belt shifter, New..... 47
Belt stretching and testing machines... 315
Belts, Novel experience with leather... 644
Belting, Leather-link 458
Belting, Steel thimble roller chain..... 522
Bench drill, New..... 810
Benner's prophecies..... 260, 727
Bessemer Consolidated Iron Co..... 197
Bessemer Merchant Steel Association, Meeting..... 710
Bessemer ore supply, Our future..... 466
Bessemer pig, Production of..... 104
Bessemer steel rail plant in China, Remarkable news..... 303
Bevel protractor, Universal..... 204
Bicycle, New mail..... 259
Billet, bloom, bar or slab ?.....619, 659
Billings' improved scratch gauge..... 3
Bills of lading as conclusive evidence... 854
Birmingham market.....78, 209, 295
Bismuth, A delicate test for..... 603
Blankenship, Robert E..... 526
Blast furnace capacity..... 616
Blast furnace charging bells, New device for operating..... 686
Blast furnace, Fine ores in the..... 192
Blast furnace metal at Milwaukee, Puddling..... 316
Blast furnaces, Condition of the, 62, 242, 463, 617, 776, 933
Blasting, Submarine..... ...1011
Blistered boiler plates..... 9
Blizzards, Origin of..... 218
Blood's patent adjustable hose-holder... 533
Bloom, billet, bar or slab ?.....619, 659
Blooms, Shearing machine for hot steel. 959
Blotter bath, Beardsley..... 793
Blower, Crank hand..... 233
Blowers, Intermittent grip for fan..... 483
Blowing engine at the Copake Iron Works..... 881
Blowing engines for the Pioneer Mining and Mfg. Co..... 553
Blue Prints, Large..... 768
Boats, Sheet metal..... 562
Boiler and bail former..... 939
Boiler deposit, Peculiar..... ... 277
Boiler inspection, British methods of... 5
Boiler legislation, Proposed British..... 645
Boiler making, Open-hearth steel for... 196
Boiler, New heating..... 607
Boiler plate, Chemical and physical properties of..... 562
Boiler plate planer, New..... 135
Boiler plates, Blistered..... 9
Boiler spread, Little Giant..... 835
Boiler stay, Improved flexible..... 365
Boiler, The Collins..... 999
Boiler tubes, Steel for welded pipe and. 229
Boiler tubes with taper ends, Resistance in tube plates of..... 320
Boiler, Vertical tube..... 559
Boilers, Burning petroleum under..... 348
Boilers, Forced draft for.....1008
Boilers, Gas fired steam..... 48
Boilers, Heating surface of vertical.... 50
Boilers, Upright and portable..... 601
Boleo copper mines of Lower California, Analysis of..... 456
Bolster spring, 1888 style, Cliff's R. H.. 534
Boreholes, Conveying power by..... 650
Boring and drilling machine, Universal power..... 371
Boston bar iron trade, Agreement in... 15
Boston Institute of Technology..... 101
Bottle mailing case.....1026
Bouton Foundry Co., Manual of..... 649
Bowers' hydraulic dredge.....1091
Bowron, W. M..... 850
Box strap, New..... 302
Boxes, Reed's folding..... 397
Boycotting condemned..... 935
Brace, A new..... ...1063
Bradford oil field, Production of the.... 157
Brass gates..... 636
Brass, Low and high.....1009
Brass, Melting..... 195
Brazilian emancipation..... 854
Brazing and welding, New departure in 278
Brazing heavy copper pipes..... 99
Brewington's steam cooker..... 203
Brick and stone bridges of large span.. 273
Bridge over the Arthur Kill..... 591
Bridges of large span, Brick and stone. 273
British boiler legislation, Proposed..... 645
British iron and metal markets, 31, 72, 115, 158, 205, 245, 291, 335, 385, 433, 467, 497, 535, 579, 621, 661, 699, 741, 786, 827, 869, 904, 946, 982, 1028, 1055
British iron and metal works..... 579
British methods of boiler inspection.... 5
Britton plate mill, Smith gas furnace at 23
Britton's leveling machine in England.. 233
Broiler, Ventilated..... 989
Brooklyn bridge, Traffic facilities on the 495
Brown-Bonnell bar iron extra schedule. 381
Bucket, Sap..... 306
Buenos Ayres, Population and trade of. 282
Buffalo International Fair..... 730
Buffalo mincing knives..... 635
Buffalo steam egg poachers..... 895
Buffalo water works, Engines of.....1061
Buffer ice-pick..... 833
Buffing lathe, New..... 279
Building in great engineering works.... 11
Building in New York..... 251
Buildings in Philadelphia, Large..... 284
Bull's metal.....1025
Business atlas, Rand, McNally & Co.'s complete..... 522
Business in Canada.....1056

C. B. & Q.'s report on the Interstate law..... 694

Cable street railways in Chicago..... 564
Cable systems for street-car propulsion. 453
Calcining of pyrites in the open air.... 408
California marine engines..... 918
California prosperity..... 212
Call, Automatic guest..... 144
Calumet and Hecla copper mine, Position of the..... 104
Calumet and Hecla fire..... 52
Cam beater..... 27
Cambria Iron Company, Changes in management..... 98
Campbell engine, The..... 727
Canada, Business in..... 1056
Canada, Our trade with..... 379
Canada's iron development, Stimulating 317
Canadian budget..... 756
Canadian customs' decisions..... 324
Canadian customs' decisions, Recent... 150
Canadian Pacific railroads, Cost of..... 346
Canadian trade..... 197
Canadian transcontinental Railway.... 810
Canal construction in Canada, Large outlay for..... 482
Canal locks, Panama..... 456
Canals, Irrigating..... 560
Candle lantern..... 673
Cape Copper Co. and the syndicate.... 694
Capital in Mexico, Lack of..... 341
Capitol building at Albany..... 905
Car and turn-table, Improved pig metal 610
Car-axle manufacturers, Meeting of.... 289
Car for heavy machinery..... 180
Car propulsion by electricity..... 848
Car-work, Demand for better grades of iron for..... 146
Carbon electrodes, Manufacture of..... 2
Carbon Iron Co., direct process of the 844, 884
Carnegie's proposition..... 560
Carnegie's proposition rejected..... 612
Carnegie's letter and proposition..... 847
Carpenters' chalk..... 712
Carpet stretcher, Patent lever..... 794
Carriage bolts..... 1057
Carriage wrench..... 305
Cartwrigh Iron Works, Ohio..... 1044
Cast iron, Action of sea water upon.... 228
Casting tubes, Revolving and tilting mold for..... 185
Castings, Iron founders and steel..... 47
Castings, Locomotive brass..... 8
Castings, Rough excrescences and irregularities in..... 960
Castle Garden annual report..... 100
Castner process for aluminium and sodium..... 316
Cellar drainer, Automatic..... 897
Celluloid for sheathing hulls of vessels.. 561
Celluloid instead of copper for ships' bottoms..... 70
Centering machine, Two-spindle..... 962
Central America, Late developments in 331
Central Forge Works..... 849
Central stations, power from..... 891
Centrifugal machines in the iron and steel laboratory, Use of..... 325
Ceylon, Late developments in..... 615
Chain belting, Steel thimble roller..... 522
Chain, New sash..... 398
Chalk, Carpenters'..... 712
Champion steel cart..... 896
Charcoal furnaces, June 1..... 971
Charlotte blast furnace..... 1012
Chart results of Keep's tests..... 886
Chattanooga market, 76, 119, 162, 209, 249, 339, 388, 436, 501, 539, 583, 625, 664, 703, 744, 782, 821, 863, 900, 943, 979, 1015, 1052
Chauvenet on foundry irons..... 1007
Chemical and physical properties of boiler plate..... 562
Chemical misnomers..... 806
Chemistry in the foundry..... 492
Chemistry of foundry irons, 919, 932, 960, 998, 1009, 1047
Chicago and Pittsburgh..... 425
Chicago, A new rolling mill at..... 933
Chicago elevated railroad projects..... 526
Chicago factories, Child labor in..... 575
Chicago, Fuel gas prospects at..... 330
Chicago market, 35, 75, 117, 160, 208, 241, 293, 338, 388, 435, 500, 537, 581, 623, 663, 701, 743, 781, 821, 864, 890, 942, 977, 1014, 1050
Chicago, Natural gas in..... 192
Chicago steel rail mills..... 926
Chicago water works' engines, New, 341, 609
Child labor in Chicago factories..... 575
Chili an Oligarchy? Is..... 71
Chimney top, Hass..... 284
China, Census of..... 215
China, The great inundation in..... 212
Chinese printing establishment, An old. 697
Chinese tools..... 988
Chinese trade, Developments in..... 193
Chisel gauge, Adjustable..... 27
Chloride of nitrogen, Explosive force. 1023
Chloride of nitrogen, Explosive nature 361
Chuck, Amidon improved..... 849
Cincinnati Exposition..... 1001
Cincinnati market, 36, 77, 119, 162, 209, 295, 338, 389, 437, 501, 539, 583, 625, 665, 703, 745, 782, 823, 865, 901, 944, 979, 1016, 1052
Circulation of warm air, Heating of buildings by forced..... 182
Cistern pump attachment..... 473
Cities of China doing business with foreigners..... 457
City garbage..... 722
City of New York, Rudder of steamer. 646
Civil Engineers' Meeting..... 1009
Clapboard and sliding gauge, New..... 796
Clark's patent double cut countersink.. 533
Clayton air compressors, New..... 603
Cleaning metal and stone work..... 768
Cleveland Foundry Co..... 1012
Cleveland market, 76, 120, 163, 209, 249, 295, 339, 389, 437, 501 539, 583, 625, 664, 703, 745, 782, 824, 865, 900, 943, 979, 1017, 1052
Cliff's, R. H., bolster spring, 1888 style. 534
Clipping machine, Crown..... 989
Clock, A large..... 1063
Clock, Westminster..... 7
Clothes line holder, Hammock and..... 397
Clutch, New friction..... 189
Coal and coke developments in Alabama 186
Coal and coke in Southwest Virginia... 383
Coal and iron ore production, Ohio..... 484
Coal barges, Iron..... 976
Coal boxes, Novelties in..... 431, 673
Coal conveying plant..... 177
Coal discoveries, Important, in Ohio... 212
Coal market, 32, 78, 120, 163, 210, 249, 296, 339, 390, 437, 471, 503, 540, 585, 626, 667, 705, 746, 786, 826, 868, 903, 945, 981, 1018, 1054
Coal mines of Indiana in 1887..... 50
Coal mines in Iowa..... 143
Coal production..... 965
Coal strike..... 330
Coal strike, Alabama..... 1014
Coal tonnage, Anthracite..... 186
Coal trade, The..... 726
Coat and hat hooks, Standard wire..... 756
Cobb's Iron and Nail Co., Affairs of.... 923
Coburn door hanger..... 833
Coffee mills..... 506
Coffee-pot, A new..... 896
Coffee-pot, Suction filter..... 636
Coke and coal development in Alabama 186
Coke, Efforts by operators to keep up prices..... 303
Coke industry in Alabama..... 372
Coke in Southwest Virginia, Coal and. 383
Coke interests, Consolidation of..... 667
Coke, Lower freight rates on..... 495
Coke market..... 556
Coke, Pocahontas Flat Top..... 965
Coke pool, Connellsville..... 192
Coke, Reduction in freight..... 521, 685, 1040
Coke, Reduction in price of..... 367, 486
Coke region, Competitors of the Connellsville..... 141
Coke shipments..... 7
Coke shipments from Connellsville..... 122
Coke supply of Southern furnaces..... 138
Coke syndicate..... 240, 287
Coke trade, Connellsville..... 455
Coke trade, Growth of the..... 1013
Coke trade, The..... 672, 827
Coking capacity, Increase in..... 146
Colby, John Langdon..... 1012
Collars, Steam pipe..... 101
Colliau boiler, The..... 999
Colorado smelters, Lead supply to..... 204
Columbia Liberty iron furnaces, Sale of 905
Columbus and Hocking Coal and Iron Company..... 648
Combination dividers..... 305
Combination saw table..... 961
Commerce of the U. S., Internal..... 727
Commercial education, Necessity of..... 95
Commercial facilities, New York's..... 734
Companies consolidated, Natural gas... 15
Companies incorporated in Illinois..... 723
Companies, New..... 15
Compass, Pencil..... 144
Competitors of the Connellsville coke region..... 141
Compound armor plates..... 644
Compound engines..... 135
Compound high speed box engine..... 101
Compressed air plant in Birmingham, England..... 188
Compressed gas..... 1025
Concave nail set, Moore's..... 26
Concealment of torpedo boats..... 96
Concentrator, Conkling..... 966
Condensation in steam engine cylinders. 554
Condenser, Adjustable exhaust steam induction..... 564
Conductivity of iron, copper and German silver..... 322
Conkling concentrator..... 966
Conley process..... 722
Connellsville coke trade..... 455, 1026
Connellsville coke operators, Meeting of 15
Connellsville coke pool..... 192
Connellsville coke region, Competitors of the..... 141
Connellsville coke syndicate..... 287
Conservatism in the iron trade..... 971
Consolidation, Great Gogebic mine.... 330
Converter bottoms, Versen apparatus for ramming..... 517
Convict labor, Competition of goods made by..... 528
Cooler, Gate City china..... 754
Co operation in England..... 909
Copake Iron Works, Blowing engine at the..... 881
Copeland steam engine..... 318
Copeland's improved nail..... 217
Copper aerial telegraph line..... 522
Copper consumption, Economy in..... 346
Copper, Duty on..... 892
Copper exports and the duty..... 659
Copper, Large shipments of..... 284
Copper market, Paris..... 1002
Copper mine, Position of the Calumet and Hecla..... 104
Copper mines, Australian..... 384
Copper mines of Lake Superior, Product of..... 988
Copper mines, Profits of the Lake Superior..... 244
Copper mining, Cost of..... 695
Copper pipes, Electrolytically formed.. 273
Copper pool..... 258
Copper production, Restriction of..... 105
Copper production, World's..... 524
Copper Rise as affecting manufacturers. 55
Copper rumors and facts..... 482
Copper situation..... 202, 659, 733
Copper situation, Jay Hubbell on the... 53
Copper speculation..... 464, 573, 612
Copper steam pipes..... 94, 483
Copper syndicate..... 360, 378
Copper trade, English..... 1039
Corliss, George H..... 334
Corporations doing business in other States..... 610
Correspondence 148, 195, 290, 332, 381, 466, 494, 528, 659, 735, 778, 850, 898, 934, 974, 1009, 1047
Corrugated metals..... 508
Cost of engine construction..... 883
Cost of foundry work, Estimating the. 805
Costs of living in this country and Great Britain..... 157
Cotton press, Webb..... 50
Cotton wood..... 112
Countersink, Clark's patent double cut. 533
Courts of conciliation in Iowa..... 61
Cowles & Co.'s semi-centennial..... 1021
Crane, Ridgeway balanced..... 723
Crank hand blower..... 233
Crank pin machine, Improved..... 455
Crank pins, New method of inserting.. 771
Cranks, Method of inserting..... 898
Credit system..... 243
Crenelated square..... 474
Crown clipping machine..... 989
Cruiser Charleston, Alleged defects in.. 228
Cruiser for French navy, New..... 910
Current hardware prices, 42, 86, 130, 171, 219, 263, 307, 353, 399, 445, 475, 511, 547, 595, 639, 675, 713, 757, 799, 837, 875, 911, 953, 991, 1027, 1065
Current metal prices, 176, 224, 268, 312, 358, 404, 450, 480, 516, 552, 600, 639, 680, 718, 762, 804, 842, 880, 916, 958, 996, 1032, 1070
Curtis balanced steam trap..... 687
Curtis damper regulator, Improved.... 645
Curtis return steam trap, Improved.... 141
Custom decisions..... 722
Customs decisions, Canadian..... 150, 325
Customs protests and appeals..... 970
Cut nail machine, New..... 108
Cut nail schedules..... 817

Cut nail trade, Western..... 464
Cut nails and wire nails..... 146
Cut-off and filter, Rain-water..... 796
Cut off, Schultz's rain-water..... 833
Cutting machine, Key-way..... 846
Cutting the bar-iron card..... 287
Cycling and walking, Power expended in 107
Cyclone oil burner..... 486
Cylinder force pump, Myers' submerged 795

D. & H. toaster..... 939
Dado machine, Improved..... 647
Dakota, Tin deposits of..... 187
Dam of the San Francisco water works. 138
Damper regulator, Improved Curtis.... 645
Dean pump, New..... 188
Debt of New York City..... 96
Decisions, Recent Canadian customs150, 325
Decisions, Recent Treasury....189, 348, 410
Deep wells..... 11
De La Vergne refrigerating machine... 92
Department of labor..... 1026
Dephosphorizing by magnetic separators. 1012
Detroit Copper and Brass Rolling Mills, New works of..... 528
Detroit market, 120, 103, 210, 251, 295, 339, 389, 444, 502, 538, 584, 665, 703, 745, 783, 868, 944, 982, 1055
Detroit perfected tire bender..... 398
Development in Central America, Late. 331
Development in Venezuela, Late..... 241
Diamond shares, Drop in..... 972
Die stock, Galloway..... 54
Die stock, Sanders' Improved..... 811
Direct metal, Puddling..... 332
Direct process, Anshavel..... 177
Direct process of the Carbon Iron Co., 844, 884
Disappearing gun, Large..... 95
Disinfectors, Automatic..... 940
Disk arc lamps..... 648
Disks for increasing cooling or heating surface of pipes..... 179
Distortion of figures..... 525
Dividends of the Lake Superior Iron Co. 100
Dividers, Combination..... 305
Dock property in New York, Private ownership in..... 417
Domestic pig-iron competition..... 938
Door bolt, New mortise..... 592
Door check and spring, Home combined. 473
Door check, Barn..... 351
Door checks and sash locks, New..... 26
Door hanger and rail, Moody steel anti-friction barn..... 145
Door hanger, The Coburn..... 833
Door hanger, Universal..... 712
Door knob fastening, Giant..... 756
Door knobs, Improved wood..... 796
Door screen frame and corner iron, Stuart's..... 635
Door stop and holder, Barlow's..... 111
Double crank press, New..... 681
Double Pitman press, New..... 643
Double-screen strainer and cut-off..... 593
Double spindle shaping machine..... 649
Dow positive piston pump..... 382
Drain cleaner, Immel's Lightning..... 111
Drawback on exports..... 365
Drawbacks on imported wire rods..... 230
Drawing press, New toggle..... 917
Drawing press, Styles' toggle joint..... 997
Drawing wire..... 274
Dredge, Bowers' hydraulic.....1001
Dressing of non-Bessemer ores..... 362
Drill, New bench..... 810
Drill, New five-spindle..... 565
Drill, New 48-inch radial..... 139
Drill, New upright..... 100
Drip connections on engines, Defective. 48
Driven-well patent, Final decision in... 332
Drop forgings at Chicago, Manufacture 568

STATISTICAL AND REFERENCE TABLES.

Allouez mine, Annual report showings 482
American trade with non-European countries, 1887 and 1886 ... 856
Anthracite coal, Analysis of ... 721
Anthracite coal tonnage for Dec., 1887 ... 186
Argentine Republic in 1887, Foreign commerce of ... 654
Australia, Foreign commerce of ... 1046
Automatic sprinklers ... 320
Barb wire manufacturers, List of ... 327
Barb wire mill during 1886 and 1887, Shipments of a ... 290
Basic steel manufacture in Europe in 1887 ... 104
Bessemer steel in 1887, Output of ... 775
Bessemer steel not used in rails ... 777
Blast furnaces, Condition of, 62, 242, 463, 617, 776, 933, 971
Blast furnace No. 2 of the Union Steel Company ... 277, 278
Boiler plate, Laboratory tests of ... 562
Brooklyn from 1882 to 1887 ... 281
Cable car, Horse-power required to haul a 454
Cable, Horse-power of engines per mile 454
Cables, Speed of ... 454
California fruit, Shipments East ... 292
California in 1886 and 1887, Value of the productions of ... 329
Canada, Total imports of ... 379
Canadian customs decisions ... 150
Canadian trade ... 197
Carbon Iron Company reducing furnaces 884
Central America, American trade with 331
Chicago, Burlington and Quincy Railroad, Mileage of ... 373
China, Official trade returns ... 193
Cinder, Analyses of ... 655
Coal and coke products of Flat Top lands ... 383
Coal consumption of New York ... 726
Coal in 1886 and 1887, Output of ... 726
Coke outside of the Connellsville region, Manufacturers of ... 142, 143
Coke production in Southwest Virginia. 383
Colorado Coal and Iron Company ... 113, 488
Copper companies for 1888, Estimated profits of Lake Superior ... 244
Copper companies, Profits of some ... 289
Copper, Effects of temperature on ... 94
Copper, Facts about ... 482
Copper produce into England and other countries, Imports of ... 202
Copper production in 1887 ... 28
Copper production in the U. S. in 1887 ... 666
Copper production of the United States and exports to England and France ... 202
Copper production of the world for 1887 and 1886 ... 524
Cost of living in U. S. and in Great Britain, Comparative ... 157
Credit system in the U. S., Results of ... 243
Cut-nail associations, National schedule Eastern and Western ... 983
Cut-nail production of the Wheeling and Central Pennsylvania districts in last three years ... 787
Diamond export from Cape Colony since 1883 ... 972
Duluth and Chicago, Difference in cost of ore at ... 726
England, Wages of several classes of workmen in ... 697
Erie Canal on prosperity of New York, Influence of ... 317
Explosives, Estimates of power of well-known ... 178
Exports of ores and metals from Spain ... 156
Foreign commerce of New York ... 206
Freight inspection bureau on consignments ... 572
Freight rates on coke from Connellsville region ... 495
Freight rates on ore for 1888 ... 197
Freights reduced, Coke ... 685, 1040
Freights, Southern pig iron ... 684
Fuel gas, Analysis of ... 341
Georgia cotton mill shares ... 418
Germany, Workmen's wages in ... 931
Graff, Bennett & Co., Assets of ... 651
Gunboats at various speeds, Endurance 729
Gun steel, Official tests of ... 697
Hardware prices during 1887 ... 81
Ingots, blooms, slabs, &c., of steel, Imports of ... 855
Injector and direct acting steam pumps 927
Insurance reports for 1887 ... 320
Invoices, Advances on appraisement and reappraisement of ... 283
Iron, Analyses of ... 492
Iron and steel, Exports from Great Britain of manufactured ... 202
Iron and steel into the U. S. for 1886 and 1887, Imports of ... 292
Iron and steel trades of Great Britain, Statistics of ... 201
Iron and steel upon American orders, Dependence of England's exports of 194
Iron and steel production and consumption in England in 1887 ... 963
Iron Association, Firms composing the Mahoning Valley ... 926
Iron Association, Scale of prices proposed by the Western ... 973
Iron at Duluth, Estimated cost of making pig ... 726
Iron at Memphis, Cost of Birmingham and Scotch ... 1047
Iron freights, Southern ... 184
Iron in 1887, Production of rolled ... 775
Iron made in the Ural Mountains, Estimated cost of malleable ... 369
Irons, Analyses of Bushong and red fossil hematite ... 555
Irons, Analyses of foundry ... 919, 920, 960, 998, 999, 1009
Irons, Composition of ores used for and analyses of Poughkeepsie ... 555
Irons from Lake Superior ores, Analyses 556
Irons from the carbonaceous ores of Ohio, Analyses of ... 556
Italia and Lepanto, Design of the ... 360
Krupp shafting steel, Tests of ... 235

Lake Superior ore mines for 1888, Estimated product of leading..... 737
Lead in 1887, Output of..... 584
Lead product of Colorado smelters, 1887 74
Lead supply to Colorado smelters..... 204
